Miss Whittaker, a prominent club woman of Savannah, Ga.. tells how she was entirely cured of ovarian troubles by the use of Lydia E. Pinkham's Vegetable Compound.

DEAR MBS. PINKHAM:—I heartily recommend Lydia E. Pinkham's Vegetable Compound as a Uterine Vegetable Compound as a Uterine Tonic and Regulator. I suffered for four years with irregularities and Uterine troubles. No one but those who have experienced this dreadful agony can form any idea of the physical and mental misery those endure who are thus afflicted. Your Vegetable Compound cured me within three months. I was fully restored to health and strength, and now my periods are regular and painless. What a blessing it is to be able to obtain such a remedy when so many doctors fail to help you. Lydia E. Pinkham's Vegetable Compound is better than any doctor or medicine I ever had. Very truly yours, Miss Easy Whittakea, 604 39th St. W. Savannah, Ga."—\$5000 forfeit if original of above letter procing gensineness cannot be produced.
